Once your request is submitted, the pharmacy will begin processing your requested new prescription(s) or those prescribed within the **last 7 days**. You will receive a notification when your prescriptions are ready for pickup. If returning for pick-up the same day, Monday through Friday from 0800 to 1700, follow the instructions to let the pharmacy know you've arrived. If returning for pick-up another day, take a 'Returning for Medication Pickup' ticket from the pharmacy kiosk. Thank you for trusting us with your care.
